

Further information

Council is also seeking further clarification on the following matters:

1. Details of the fast-track approvals process. These should be provided in the next consultation paper to more fully understand the proposed new residential zones.
2. Information on who will be a relevant professional to undertake assessment of compliance with relevant design standards.

Should further consultation be undertaken in the development of the new residential zones, Council would welcome the opportunity to be involved.

If you have any queries regarding this submission please contact [redacted] Strategic Planner by e-mail [redacted] or telephone [redacted]

Yours sincerely,
